Paris Mountain State Park

Aquatic Ecology Data (Mountain Creek Study Site)

Date	School	Water Temp.	pH	Animals Collected
9/8/08	Upstate Enrich Home School	23°C	6	dragonfly nymph (4), damselfly nymph, water striders (20), aquatic worm
9/9/08	Mitchell Road Elementary	23°C	6	dobsonfly larva, dragonfly nymph (13) darter fish, water striders (50) midge larva, aquatic worm
9/11/08	Mitchell Road Elementary	21°C	6	dobsonfly larva, dragonfly nymph (9), crayfish (2), midge larva, aquatic worm fish
9/15/08	Alexander Elementary	23°C	6	dragonfly nymph (4), water striders (50+) riffle beetle (4)
9/16/08	Alexander Elementary	20°C	6	dragonfly nymph (12), water striders (50+), midge larva (2)
9/25/08	Rudolph Gordon Elementary	16°C	6	riffle beetle (2), dragonfly nymph (6), damselfly nymph water striders (50+), midge larva (2)
10/27/08	Buena Vista Elementary	12°C	6	dragonfly nymph, whirligig beetle worm, water striders (15), darter fish
10/30/2008	Buena Vista Elementary	9°C	6	mayfly nymph (2), stonefly nymph, riffle beetle dragonfly nymph (5), damselfly nymph, whirligig beetle, water striders (20)
10/31/08	Buena Vista Elementary	9°C	6	mayfly nymph (3), dragonfly nymph whirligig beetle, water striders (2), fish (2)
11/6/08	Skyland Elementary	14°C	6	mayfly nymph (4),riffle beetle,dragonfly nymph, darter fish,worm,midge larva, water striders(8)
11/7/08	Monaview Elementary	15°C	6	mayfly nymph(2),salamander,dragonfly nymph, damselfly nymph, darter fish (2), worm (3) midge larva (3), leech*
11/10/08	Skyland Elementary	10°C	6	stonefly nymph, dragonfly nymph (2), damselfly nymph, beetle larva, midge larva darter fish, water striders (5)
11/11/08	St. Joseph	10°C	6	riffle beetle (2),dragonfly nymph,large crayfish, midge larva, worm (4), water striders (4)
11/12/08	St. Joseph	10°C	6	riffle beetle, mayfly nymph (2), salamander, dragonfly nymph, worm (4), water striders (3)
11/17/08	Ford Elementary	9°C	6	mayfly nymph (4), riffle beetle, stonefly nymph cranefly larva, beetle larva, worm, water striders (3)
11/24/08	Ctr for Achievement (Columbia)	8°C	6	mayfly nymph, dragonfly nymph, worm, midge larva
